Captains News

Good day fellow Nomads,

I cannot believe that 6 months have already passed and my year as Captain is nearing its end?

Congratulations to all the winners yesterday at PEGC.

Firstly I must apologise to all members about my remark about the Goat track. It is a personal joke between me and Ian and I understand "some people" were offended by my remark. It was not intended as such!

Secondly I would like to request from all our EC Nomads to talk to me if you have a problem with any of my actions. It doesn`t help you talk to other Nomads hoping that they will influence me to change my mind on the matter in question.

We will order new shirts for our club within the next 2 weeks.

I would like to thank all Nomads who participated in this month's Month Game. Behaviour was great on the course and at prize giving. Thanks for that.

Our National Chairperson will be visiting us in November for our South Easter competition and Monthly Game at St Francis. A good turnout would be appreciated.

JVC News

Good day Fellow Nomads,

It was refreshing to not have any complaints about the prize giving. Prize giving started a half hour after the last card was handed in. The implementation of the four ball captains sheet, for handing the score cards in worked well. There are one or two things that we will iron out, but it did speed up the process. I did see first hand that some guys need a calculator when adding up your scores. The good news is with this method, the four ball's captain was on hand to sort it out and did not delay the ladies too much.

To my four ball, Ken Russell, Rob Griffiths and Steve Pritchard, thanks for day. Rob & Stevie, you were worthy winners and gave Ken & I, a lesson on how to play a GPKO semi-final. We wish you both, all the best for your Final.

The Alter Bunnies for the day were Paul Bester, Nico Bester, Dave Pearson and Denis Byron, thanks guys for assisting with the packing up of the Alter. Much Appreciated.

Thanks to Tyrell, Jason for your contribution with packing up of the Alter over the last 3 monthly games. You may now take a break, unless you happen to win the "Teddy". Hughy, your presence when packing up the Alter for the next 2 monthly games, will still be needed.

Congratulations to all the lucky winners. Thanks to Jeanne, Christelle and Bev for your time and hard work that you both put in for us, as usual on the day.
