

# EASTERN CAPE WOMEN'S GOLF ASSOCIATION

11 September 2009

Dear Duke

## **THANK YOU - NOMADS SPONSORSHIP**

*ECWGA, together with Southern Cape, wishes to thank Nomads - Eastern Cape most sincerely for the fantastic sponsorship we received from you. Your generosity afforded us the opportunity to host a most enjoyable 54 Holes Foursomes Tournament at St. Francis Bay on 15 - 16 August 2009.*

*Our field of entries was unfortunately not as big as we had hoped, but your sponsorship allowed us to really spoil the players. Southern Cape will be hosting the tournament "down south" next year and everybody is already looking forward to the friendly rivalry which takes place during this weekend.*

*As was the case last year - the team trophy was shared between Eastern Cape and Southern Cape.*

*Thank you once again and we trust that we may knock on your doors again next year. You will be receiving a small brochure of the tournament in due course.*

*Kind regards*
