Greg Clack
Captain Eastern Cape NOMADS
Port Elizabeth

Dear Greg

THANK YOU NOMADS EP & NOMADS BORDER, THANK YOU!

On behalf of the Eastern Cape Women's Golf Executive as well as all the players who had participated in the EP&B Championships, I wish to thank NOMADS EP & NOMADS Border for your wonderful sponsorship.

It was a fantastic weekend and the positive feedback we have been receiving is just unbelievable. Thanks to your generosity we were able to present each player with a golf pencil with the name "NOMADS EP & B" on it, sponsor part of their dinner on Saturday evening, provide each player with a lovely lunch on Sunday and sponsor each of our 8 EP Juniors with R100 towards their Green fees. This was over and above the wonderful Woolworths vouchers which were presented as prizes. Sorry we missed you at RPAGC.

We cannot express our appreciation enough as without your support this wonderful weekend would not have been so successful. We had a good field of 67 players on the Saturday and just managed to finish before it became too dark to see the ball. The Sunday field saw 32 (4 teams x 8 ladies) Eastern Cape ladies taking on the 4 Border teams in gale force winds. But the spirit was so good that nobody complained.

We will be approaching WGSA to award Order of Merit points to the tournament again as from 2011, because that attracts some top SA players from across the country. This was the first year that it had been withdrawn, because of our "location" in relation to not being central. We however feel it is an important event for our players in the coastal provinces.

I shall be sending you a tournament brochure shortly, which might just give you a glimpse of a wonderful tournament, thanks to your generosity.

With regards and great appreciation.
